Description

As part of HDCSs growth and ongoing commitment to making a positive impact in the lives of others, we are seeking a dedicated INTEGRATED EMPLOYMENT SPECIALIST to join our team. This unique position blends the responsibilities of a job coach with those of an employment developer. We value empathy, a reflective mindset, and a commitment to supporting our job seekers. Bring your passion to our HDCS team and help shape inclusive workplaces!

In this role, you will not only guide individuals with barriers to employment through the job seeking process, empowering them to develop the necessary skills and confidence to thrive in the workplace but also actively cultivate partnerships within our community to create inclusive and accessible workplaces. You will work in a dynamic and rewarding position as you help bridge the gap between job seekers and employers.

As a job coach, you will support individuals in developing essential job skills, navigate the workplace and help individuals to build confidence in their roles. You will provide direction, guidance, and mentorship to job seekers and our work crew participants.

Qualifications:

- Demonstrate strong work values, ethics, professionalism, and high-quality customer service.
- Strong communication, organizational, and interpersonal skills.
- Knowledge of local labor markets and employment trends.
- Having a tech-oriented mindset would be an asset, given that there will be tasks involving CareerLabs (Virtual Reality System).
- Ability to develop working relationships that demonstrate respect of different cultural perspectives.
- Valid drivers license and a clear criminal record and vulnerable sector check is a requirement of the position.

Benefits:

We offer our team members attractive compensation, group benefits, retirement plan, professional development opportunities, and a positive and inclusive work environment.
